

NOW HIRING:

SUBSTITUTE TEACHERS

TalentEdge is seeking Substitute Teachers for the 2023-2024 school year for the Roman Catholic Diocese of Rochester schools that are located throughout a 12-county region in western New York, encompassing the Greater Rochester metro and surrounding areas, the Finger Lakes region and the Southern Tier.

We are looking for motivated, energetic individuals with a passion for education to support K-12 schools.

Substitute Teacher Responsibilities include:

- Demonstrate strong classroom/learning environment and management skills using boundaries and rules to promote students' self-management and responsibility
- Adept at behavior management and recognizing the need for prevention, intervention and problem-solving techniques
- Act as an adult role model for students and colleagues in all behaviors including communication, hygiene, and appearance, management of self, response to stress/challenges and demonstrate professional relationships with others
- Establish a broad understanding of students' educational, social and personal challenges and capabilities
- Maintain a commitment to quality through the effective use of resources including and not limited to time, materials, technology and personnel
- Have a love and passion for education of children and making an impact

Qualifications:

- Bachelor's Degree preferred or Associate's with some childcare experience
- Effective verbal and written communication skills
- Problem-solving skills to successfully deal with everyday issues that occur
- Excellent interpersonal skills
- Ability to understand and follow policies and procedures

Catholic Schools Of The Diocese Of Rochester Mission Statement

Our schools:

- **Lead** students to be disciples who know and live the Catholic faith;
- **Inspire** a learning community to foster academic excellence; and
- **Motivate** young people to fulfill the two great commandments of Jesus Christ by loving God and self in order to be responsible and give service to our neighbor.
